Assistant Commissioner for Patents
Patent Examining Operations
Washington, DC 20231

Subject: Fluid Filter Holder Application Number: 10/723-541

Dear Patent Examiner:

As an independent inventor, I look forward to your value added comments that are a result of your review and examination of my Patent Application. I would certainly appreciate any input you could share relative to a reasonable expansion to my stated claims.

Sincerely,

Thomas J. McKenzie, Inventor
